

6 August 2021

## National Wool Declaration V9.0 Business Rules:

The Business Rules related to the NWD V9.0 (from 1 January 2022) are now available to download.

To download the NWD V9.0 Business Rules please follow the links:

<https://www.awex.com.au/standards/national-wool-declaration-nwd/>

### **Download the NWD V 9.0 and Save to your Computer**

Brokers updating to NWD V9 should ensure that both the NWD and the accompanying notes are carefully reviewed.

**Combined Classer's Specification and NWD** (NWD Definitions, Explanations and Codes are on p. 2).

### **Additional information related to the NWD V9.0**

[AWEX NWD V9.0 Release Notes and Business Rules Issue 1 – 6<sup>th</sup> August 2021](#)

*Note: NWD templates and information brochures have been moved to the 'Standards' tab on the AWEX website.*

The alternative formats of the NWD V9.0 (Landscape/Portrait/Individual) templates are also available at the above link.

As previously advised, the NWD documents including 'Declaring What the World's Demanding', 'How to Complete the NWD Correctly' and 'FAQ' brochures are currently being updated and will be completed in August. Industry will be advised under separate cover.
